FEC:

I am contacting you in regards to (2) letters recently received (via email) pertaining to some compliance reporting issues with PAC ID #C00485730, and what we have done to correct these issues. I have included both FEC letters for your reference.

Issue 1: Multicandidate Status

The letter recognized that our PAC might have satisfied the criteria set forth at 11CFR 100.5(e)(3) for becoming a multicandidate committee, but had not yet been filed by our committee. After reviewing the criteria, the FEC is correct, and as of July 15, 2011, we did satisfy the multicandidate criteria. We submitted our 1M filing (efiled) on July 11, 2013 to officially change our status to a Multicandidate PAC. All future filings and donations will reflect this change.

Issue 2: Schedule B supporting Line 23 of (2) 2012 reports discloses contributions to candidates for the 2012 Primary election; however the funds were disbursed after the election date.

We reviewed the 6 donations that were in question. None of the checks had specified what election to use the donation for, so after contacting all of the donation committees, we have confirmed that all of the funds were in fact used towards the 2012 General elections, not the 2012 Primary elections; we had just reported incorrectly on our side. We will be amending the July 15, 2012, and the October 15, 2012 3X filings, to reflect the correct elections the funds were used for, and with these amendments, we will be in accordance with FEC compliance guidelines.

Feel free to contact me or my assistant, Julie Olimpio, at 303-640-4271 or julie.olimpio@qepres.com if you have any questions regarding this letter.

Thank you,
